WEEK 4 GROUP GUIDE

SERIES OVERVIEW

We often focus on what makes us better, but purpose is found in something much greater than ourselves. This gives our life and our church purpose! In fact, a church that is for everyone, makes room for anyone!

BIG IDEA

Life's an adventure with God where no dream is too big and no request too small—because with Him, anything's possible.

ICEBREAKER/CHECK-IN QUESTION

- What's the most unexpected thing you've ever found in your pocket, and how did it get there?

DISCUSS

- How do you handle moments of doubt or uncertainty in your life?
- Share a personal experience where you felt God's power at work, even if it was in a small way.
- Have you ever experienced a situation where you were forced to rely solely on God's power rather than your own abilities? What did you learn from that experience?
- Reflect on a time when you witnessed a seemingly impossible situation turn into a miracle. How did that impact your faith journey?
- How can we, as a group, encourage each other to trust in God's power when facing challenges or uncertainties?

READ

- **GENESIS 17:1-6, 18:11-14, 21:6-7**

DISCUSS

- How does the story of Abraham and Sarai in Genesis 17:1-6 encourage us to trust in God's power to fulfill His promises?
- Reflect on Sarah's initial disbelief in Genesis 18:11-14. How can we relate to her doubts, and what can we learn from God's response?
- Consider the joy expressed in Genesis 21:6-7 when Sarah bore a son. How can we apply this joy and gratitude to our own lives?

PRAY

God, guide us this week to see Your possibilities in our everyday life and to trust You more. Amen.
